ACTIVITIES 2023

THE TOOSIKANNU SHOOTING RANGE

Trap shooting

Flying clay discs are shot with a shotgun under the guidance of an instructor. The targets are launched from six traps on a Compact-Sporting or A-Trap field on different trajectories, imitating a bird hunt. The shooting can take place all hours. Please choose clothing appropriate for the weather.

Price: 10 target series- 30€/person
Minimum number of participants: 4

Bullet shooting, i.e. Running wild boar

The running wild boar is a moving target used in hunting ports. The shooting exercise takes place in the rifle range. The shooting distance is 50 meters; the boar's movement track is 10 meters long. A rifled firearm is used for shooting. The safety in the shooting area is guaranteed with bullet catchers and natural walls. The activity is organized all hours and outdoors. Please choose clothing appropriate for the weather.

Price: 6 shot series – 20€/person
Minimum number of participants: 4

Shooting package for groups

Shooting package includes two different shooting exercises. The participants will participate in trap shooting and bullet shooting. Trap shooting includes 10 target series at flying clay plates and in bullet shooting 6 shots at wild board target. Participants will be guided by an experienced instructor.

Price: 40€/person
Minimum number of participants: 4

HOLIDAY CENTER AND WILDLIFE PARK
